

**The PNDU Roll of Honour**

**Nomination Form for Lifetime Membership Award**

Life Membership and induction into the PNDU Roll of Honour is a special award for any member who, as an HPN consumer, parent or carer, has given their time “over and above” for PNDU. It is the highest accolade that the group can bestow as a token of appreciation for the individual’s exceptional contribution to development and growth of the group’s support for people on HPN. As a general principle just being a member of the Management Committee (MC), for example, will not necessarily be sufficient and self-nominations are not permitted.

Nominations for the Roll of Honour should ideally be with the permission of the nominee and include background information such as primary diagnosis, number of years on HPN and reasons for nominating the person. Submissions to the Honorary Secretary should be by 31<sup>st</sup> August for consideration and bestowal around October/November each year.

The award will not necessarily be restricted to one per annum and will not necessarily be awarded if, in the opinion of the MC, no suitable candidate is proposed.

An update of present and past Life Members on the Roll of Honour will be kept in the PNDU records and on the website.
